The Secretary to Government,

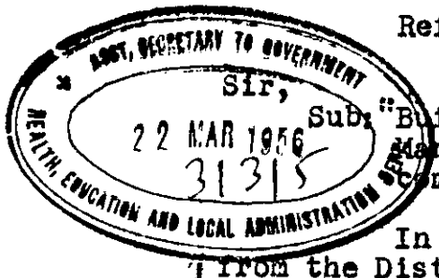
Ref.No.30605-P&D dated 20th March 56.



Sir,

Sub: Buildings - Government Wenlock & Lady Goschen Hospital, Mangalore - Opening ceremony for certain new blocks - completed.

In enclosing a copy of letter C.No.4996-G1/56 dated 8-3-56 from the District Medical Officer, South Kanara, I request permission for arranging for an opening ceremony of the new blocks which have been completed and for starting a "Hospital courtesy week" in the first fortnight of May 1956. I also request sanction for incurring the incidental expenses not exceeding Rs.1,800/- in connection with the opening ceremony and "courtesy week". The expenditure may be met from the funds sanctioned for improvements to the hospitals.

Yours faithfully,

RA/20-3.

for Director of Medical Services.

Copy of letter C.No.4996/G1/56 dated 8-3-56 of the District Medical Officer, South Kanara, Mangalore to this office.

Sub: Buildings - District Headquarters (Wenlock) and Lady Goschen Hospital - Opening of Nurses Block - Ceremoney.

Several members of the public interested in the development of the hospitals here and also members of the Public Works Department have expressed the view that there has not been an opening ceremony for any of the buildings e-g., the out-patient Block and the Maternity block. The large nurses quarters building would be ready for occupation in April 1956.

I am of the opinion that a ceremonial function would be appropriate atleast at this juncture, declaring the Nurses block and the out-patient block in this hospital and the new Maternity block in the Lady Goschen Hospital open as the first step in the development programme of these hospitals here.

It would give an opportunity for the public in this region to know all the details of amenities provided if permission is accorded to start a "Hospital courtesy week" also at the same time.

The Executive Engineer has informed me by letter that most of the works on hand would be completed and the area if the compound tidied up for the occasion.

I also request to know if it would be convenient to you to be present on the occasion to declare the "Hospital Countesy week" open and to address a gathering about the programme of Medical relief and also to request the ~~Honorary~~ Health Minister to declare the buildings open - sometime before 1-15th in May 1956.

If circumstances permit a small sports programme for the staff of the hospitals would be organised.

If the above proposals meet with your approval may I request you to address the Government for a special sanction of Rs. 1800/- for the expenses the approximate details of which are given below.

P.t.o

1. Construction of Pandal.	Rs. 800/-
2. Decorations.	Rs. 200/-
3. Lighting.	Rs. 100 /-
4. Furniture on hire	Rs. 100/-
5. Entertainment	Rs. 100/-
6. Cost of printing invitations.	Rs. 100/-
7. Other incidental expenses.	Rs. 100/-
8. Cost of Marble tablets.	Rs. 300/-
